Product highlights

Flexible PVC Jacket
Flexible PVC jacket provides protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Audio Adapters Included
Audio adapter included for versatile application of product.

Rubber strain relief
Rubber strain relief provides a secure yet flexible juncture between the cable and the plug.

Easy grip
This non-slip grip makes connecting your components easy and ergonomically comfortable.

Plug and play
Plug and play offers easy installation of components without time-consuming installations.

Metal shell
The metal shell protects the internal connection of the cable. It ensures durability and reliability of your connection.

Fibre Optics
Strands of optically pure glass as thin as a human hair carry digital information to your components for uncompromised sound.
